

Volunteer Questionnaire

Dear

Thank you for your interest in volunteering with the Toongabbie Legal Centre.

The Toongabbie Legal Centre (TLC) is a complying community legal centre with limited resources devoted to the provision of legal and other services to those who are not able to access legal system in and around Toongabbie/Blacktown.

Because we value the time and energy of our volunteers like you, we want to make your experience at TLC as rewarding as possible. To help us do this, we need to match your skills and interests with the needs of TLC and to make TLC work effectively.

We would appreciate if you could answer this short TLC volunteer questionnaire. Your responses will be considered and we shall try to match your interests and ask if you are able to work on those tasks.

We attach a copy of the TLC Code of Conduct and Centre Objectives for your information and would ask that if you agree to volunteer with TLC you agree to be bound by these objectives.

Please answer the following questions and post or email the completed form to:
