# KNITTING 4 JUSTICE

## Who we are

We are not solicitors, barristers or law students but we support the free legal service rendered by the TLC's team of passionate and compassionate volunteers.

We will knit anything that is useful for human beings to wear to protect themselves, scarfs, shawls, bed covers, jumpers, socks for infants and children. Even articles for your pets, if you ask us.

## Community Engagement

We are ordinary people standing up for the marginalised, disadvantaged and vulnerable people by supporting the work of TLC in our own way.

As a community legal centre, this program will enable TLC to connect with the community.

## Support Australian Wool Producers

As much as possible, we will use **Australian wool and yarn** to undertake knitting work – thus supporting our primary producers of Australia.

The works emerging from love, skilled hands and artistry will be sold during TLC's Annual Community Fundraising Dinner and other events organised and conducted by TLC. We will commit to donating a percentage of our goods each year to those in need.

## Local Leaders

Knitting can take place anywhere and anytime suitable to the participants. Are you prepared to be a leader in your local area and able to promote and facilitate this program?

Your ability to inspire, organise and coordinate this activity in a participatory manner would be great.

## Corporate Sponsorships

TLC welcomes corporate sponsorship from firms interested to support this social enterprise initiative – engaging people for a worthwhile cause. Please contact us on: [knitting4justice@tlc.asn.au](mailto:knitting4justice@tlc.asn.au)

## Knitting Classes

We are eagerly looking for those who are able and willing to teach others interested to learn knitting.

If you are keen to learn knitting, please register your interest by emailing us on: [knitting4justice@tlc.asn.au](mailto:knitting4justice@tlc.asn.au)

You may also register your interest through our website: [www.tlc.asn.au/knitting4justice](http://www.tlc.asn.au/knitting4justice)

Once we have a sufficient number registered, lessons will commence in the 'knitting corner' at the hall next to St Anthony's Catholic Church, 27 Aurelia Street, Toongabbie. As interest grows there will be other 'knitting corners' set-up for more volunteers to come on board to participate and learn.
